

Reporting your Child's Absence

For **safeguarding** reasons, it is important you inform the school of the reason your child is absent by **9.30am** on the morning of their absence.

It is the parent's responsibility to contact the school.

You can do this by calling **01268 450067** and choosing **option 1** where you can leave a message on the absence line or email parents@ghyllgrove.essex.sch.uk

You will need to do this for **every** day your child is absent.

First Day Calling

The school office will contact parents via text on the first day of absence if no reason has been provided by 9.30am.

Where no reason is established and no contact is made by parents the school will follow procedures set out in Essex County Council's Children Missing Education (CME) section of their guidance.

Pupils identified as missing will be referred to the council's Attendance Compliance team for further investigation. In some circumstances the school may also make a welfare call to Essex Police.

Absences

Authorised or Unauthorised?

It is the **school's** decision if your child's absence is marked as authorised or unauthorised in their school attendance record.

Examples of unauthorised absences are:

Birthdays

Parent/sibling illness

Headlice

Days out

Where we receive no reason for absence

Medical Appointments

Where ever possible you should ensure your child has appointments outside of school hours, however, this sometimes may be unavoidable.

If your child needs time off school for a medical appointment, please bring the relevant letter/ appointment card into the office for photocopying.

Attendance Concerns

Lateness

If your child arrives late they need to be signed in at the main school office and this will be recorded as an 'L' in their attendance record.

If your child arrives after 9.20am this is classed as an unauthorised lateness and is marked as an 'U' in their attendance record.

Continued unauthorised late marks could lead to a 'Notice to Improve' letter to each parent. This may then lead to a penalty notice or legal prosecution.

Medical Evidence

If your child's attendance becomes a concern you may be asked to provide medical evidence for absences to enable us to authorise them.

Examples of acceptable medical evidence are:

Doctor/hospital letters

Appointment cards

Prescriptions

Medication with your child's name on it

Unauthorised Absences

Continued unauthorised absences could lead to a 'Notice to Improve' letter and an Attendance Contract being issued to each parent. This may then lead to a penalty notice or legal prosecution.

Whole school attendance is monitored weekly and parents will be made aware of any concerns by letter from the school in the first instance.

Holidays

HOLIDAYS SHOULD NOT BE TAKEN DURING TERM TIME.

All holiday requests are unauthorised and could lead to a penalty notice for each parent.

Attendance Targets

Levels of attendance

99% - 100%	Excellent
96% - 98%	Good, on or above target.
91% - 95%	Worrying, monitored

80% - 85%	Unacceptable, safeguarding and educational concerns. Attendance compliance involvement.
