With full training and support provided?

## **GHYLLGROVE COMMUNITY PRIMARY SCHOOL NEED YOU!**

We currently have a vacancy for a Parent Governor and welcome applications from parents who are keen to make a positive contribution to our school. In this voluntary role, you will work as part of a team and play a vital role in ensuring the Governing Body is connected with parents and the community.

### **What does a good Parent Governor need?**

- a strong commitment to the role and to improving outcomes for pupils
- good interpersonal skills, a willingness to learn, develop new skills and attend relevant training
- the ability to support and challenge the school and contribute to the vision and direction of the school
- the ability to attend and contribute in meetings whilst maintaining confidentiality
- the ability to work as part of a team and value the contributions of others who may hold alternative views to your own
- an understanding that this role does not involve discussing your own child.
- to attend at least one full meeting a term

Being a Governor is a "hands off" role - decisions made by Governors influence the whole school, but Governors are not responsible for, or involved in, the day-to-day running of the school.

In return, our school and Governing Body commits to providing you with:

- a structured induction
- access to quality training
- skills in strategy, finance, data analysis, HR and analytical thinking
- annual informal feedback on your contribution to the school and Governing Body
