OUR YOUTH CLUBS

Conn-X
Youth Club

presents...

Conn-X
Youth Club

Welcome to Conn-X!

Our weekly Youth Club helps neurodiverse children aged between 6 and 12 years old who may be socially isolated or have immature social skills to develop their interactions with other children and develop their social communication through play-based experiences.

Each week we have an art/craft activity plus, activities which support development of hand/eye co-ordination, teamwork, creativity etc. This approach follows the ethos: Your Place, Your Space, Your Pace.

Parents/carers always stay onsite, offering an opportunity for them to network and receive valuable guidance from our volunteers.

Come and join us at Conn-X every Thursday 5-6.15pm (term-time) at Presidents Hall, Hoover Drive, Laindon SS15 6LF

For further information, please reach out to us at basildonp4p@outlook.com or by call/text/whatsapp on 07923 426 502. We kindly request that if you plan to join us, please inform us in advance so we can anticipate your attendance.

Welcome to Navigate!

Navigate is our free Gaming Club for neurodivergent young people aged 15-19 years old. The club aims to draw teens into the project through their shared passion for gaming, thereby enhancing their confidence levels and social interactions.

We are focusing on teens who are about to enter their final year of school, with 6th form and college on the horizon. Based on feedback from parents and carers from our other projects, we understand that this significant transition can be a source of considerable stress.

Our goal is to create a space for these teens and their parents or carers to engage with other families on topics that impact them at this critical stage.

Come and join us at Navigate every Thursday 5-6.15pm (term-time) at King Edward Community Centre, Laindon SS15 6GY

For further information, please reach out to us at basildonp4p@outlook.com or by call/text/whatsapp on 07923 426 502. We kindly request that if you plan to join us, please inform us in advance so we can anticipate your attendance.
