## **Resource Base for Deaf Children**

Within the school is a resource base for deaf children which accepts children from age 3 to Year 6 who have, or are being assessed for, an EHCP. The base is staffed by a teacher of the deaf and specialist learning assistants. All resource base staff communicate with the children through British Sign Language, spoken English or Sign Supported English.

The children follow the National Curriculum with appropriate support to enable them to access their learning. Teaching and support can take place within the specialist teaching rooms of the resource base or alongside peers within the mainstream classes. Individual programmes of learning are put in place to meet the differing needs of each child.

## **The Arc**

The Arc is an alternative provision for young children whose learning in their current school is of concern due to barrier caused by behaviour, emotional needs or social difficulties.

The Arc is located within Ghyllgrove Primary School it is a specialist learning environment; it is a safe haven for the growth and development of individual children. It is a time limited alternative education provision for SEMH children, who are not learning and/or progressing in their current school. The Arc supports pupils to improve their behaviour and engagement by working directly with the referring school, child and family. The Arc aims to reintegrate pupils back to their school. The sole referral route to the Arc is via the Primary SEMH Panel.

## P.E. and Games

Jewellery **MUST** not be worn, studs or small sleepers for pierced ears must be removed during P.E.

Children must change into PE kits for P.E. and games. Years 5 and 6 may come in P.E. uniform on PE days.

If you are going to have your child's ears pierced, please do this in the summer holidays, as we know children cannot remove earrings for six weeks. PE is an important part of the curriculum and it is vital that children take part in these sessions.

## **COMMUNICATION**

### **Reporting to Parents**

Parents' Consultation Evenings are held during the Autumn and Spring terms and can be booked through our online booking system at the time. Children receive a written report in the Summer term.

## **Assessment**

The following national assessments are undertaken:

- Foundation Stage profiling in EYFS
- Phonics – The government introduced the assessment of children's phonics knowledge in Year 1. The assessment takes place in June
- Year 4 multiplication check
- SATs at the end of key Stage 2 in Year 6.

Teachers make continuous assessment of your child's progress in all aspects of the curriculum throughout the school year.

## **School Curriculum**

We aim to provide a broad and balanced curriculum which gives every child the experiences they need to excite their curiosity, develop a responsible attitude towards work and equip them with the basic skills necessary to approach all activities with confidence.

In Year 4, we attend swimming lessons at the Basildon Sporting Village.

Classes go on educational visits to support their work as part of school policy.

In Year 6, the children are given the opportunity to go on a residential activity trip.

## **Extra-Curricular Activities**

The School offers a variety of clubs for children. Those presently offered include Multi-skills, Running, Athletics, Gymnastics, Choir, Football and Singing. We also welcome talented visitors willing to share their skills and experiences with the children.

Letters for clubs are sent out termly.

Music tuition is available at the school from Essex Music Services.

## **Administering Medicines**

Medicines should not be brought into school unless absolutely necessary and under no circumstances should medicine ever be sent into school with a child.

Essential medication (i.e. antibiotics that has been prescribed by a doctor) where the prescription is for three or more doses per day can be administered in school by a designated member of staff.

The minimum amount of medicine should be handed to the School Office and an **ADMINISTRATION OF MEDICATION FORM** must be completed by the Parent/Carer and designated member of staff.

Completed medication must be collected at the end of the day by the parent/carer and will not be handed back to the child.

Pain/temperature relief such as calpol, paracetamol and ibuprofen based products are administered by School Staff, which have been agreed by the Headteacher.

Procedures are in place for administration of medication for those children who require ongoing essential medication on a daily basis, in accordance with the Supporting Pupils at School with Medical Conditions Policy and in accordance with agreed Individual Care Plans.

Children with Asthma must inform the School Office in order that they may be included on the school Asthma Register. Reliever Inhalers are to be kept in the child's classroom and made available to the child when required. These are to be reviewed regularly to ensure that they are still in date and active.

Please ensure that you inform the School Office of any changes to your child's medication requirements.

## **Child Absence**

### **First Day**

- Please report your child's absence by leaving a message on our absent line or emailing at [parents@ghyllgrove.essex.sch.uk](mailto:parents@ghyllgrove.essex.sch.uk) before 8.00am on the morning of absence.
- If your child's absence continues for longer than 1 day please phone or email each day.

**PLEASE NOTE:** We have a **48 hour policy** regarding diarrhoea/vomiting. Your child will need to be 48 hours symptom free before returning to school.

## Pastoral Care and Discipline

Ghyllgrove School is a community in which behaviour is based on mutual respect and consideration for others. The class teacher is responsible for the care of the children in his / her class. In only rare cases are particular problems referred to the deputy head teacher or the headteacher.

The school has a dedicated Pastoral Team who can support children and families as and when required.

The values, standards and attitudes of the school are made clear to children by providing good role models and discussion. The school has written policies, approved by the governors, on behaviour and bullying which may be viewed at the school. If a child displays persistent, anti-social behaviour, consultation with parents is arranged so that an attempt can be made promptly to rectify the problems.

## Lunchtime Arrangements

If your child stays in school during the lunchtime, then they will be supervised by one of our Midday Assistant team, headed by a Senior Midday Supervisor. If your child goes home for lunch, they should return at:

- EYFS – 1.00pm
- Year 1 – 1.10pm
- Year 2 – 1.15pm
- Year 3 & 4 – 1.00pm
- Years 5 & 6 – 1.15pm

## Packed Lunch

Please ensure that your child's lunch is packed safely in a lunch box marked clearly with their name and class. If you wish to send a drink in the boxes could you please ensure that they are not hot liquids, cans of fizzy drinks or anything in a breakable container.

We are a health promoting school, so no sweets are permitted in school. Chocolate covered biscuits may be included in packed lunches.

In EYFS and KS1 free fruit is provided for the children at playtimes.

In KS2 **ONLY FRUIT** can be brought in from home for a playtime snack.

**SWEETS OR NUTS OF ANY KIND ARE NOT PERMITTED IN SCHOOL**

## **School Dinners**

Our full dinner menu is available on our website or you can obtain a copy from the School Office.

Children in Early Years and Key Stage 1 are entitled to a Free School Meal each day in accordance with the Universal Free School Meals Government Policy.

**The cost of school meal for Key Stage 2 Children (Year 3 - 6) is currently £2.40 per day.**

## **Child Protection**

As a caring organisation with direct responsibility for children, our first concern must be your child's welfare in all of its aspects. There may be occasions when we have to consult other agencies before we contact parents, particularly in relation to Child Protection/abuse concerns. Should this be necessary we would seek to reassure you that any concerns we have about your child would then be discussed with you, as appropriate. The procedures we follow have a statutory duty as laid down by the Essex Area Safeguarding Team.

## **School Money**

### **School Payment and Booking System - School Money**

At Ghyllgrove Primary we have chosen to use an On Line Payment and Booking System for all payments and purchases including fundraising donations along with bookings for school clubs.

When your child joins our school you will be provided with details of the School Money Web Page [www.eduspot.co.uk](http://www.eduspot.co.uk) which will allow you to log into your account using a temporary password issued by the School Office. You will then be able to set your own password for easy access to your account. It is important that you keep the school office advised of your up to date mobile telephone numbers and email addresses at all times as this is the way in which your account details will be accessed.

Your account will include the following payments and purchases:-

Weekly Dinner Money - for Key Stage 2

School Trips, Visits and Events

Swimming Lessons – Year 4

Music Lessons – Key Stage 2

Residential Trips for Year 6 Children's

Bookings for before and after school PAWS Club

Bookings for before and after school clubs.

### **School Dinner Money**

Children in Early Years and Key Stage 1 are entitled to a Free School Meal each day in accordance with the Universal Free School Meals Government Policy.

The cost of school meal for Key Stage 2 Children (Year 3 - 6) is currently £2.50 per day. This amount is payable using your School Money Account. Meals should be paid for in advance by using the top up system in order to avoid large amounts of dinner money arrears.

Should you owe more than one week in Dinner Money (£12.50) you are asked to provide your child with a Home Packed Lunch until you are able to pay the outstanding amount. If you have any difficulty in keeping up with your payments for dinner money, please contact the School Office.

If your School Money Account shows an amount in excess of £12.50 for school dinners you might be asked to come into the school office to discuss payment in order to prevent the debt becoming too large.

### **Charging and Remissions Policy**

Parents may be asked to make a voluntary contribution to cover admission charges, transport costs and insurance for educational visits etc. In cases of hardship, following discussion with the Headteacher, arrangements can be made for payment by instalments, a reduced contribution or the contribution can be waived altogether. No child is excluded because of inability to contribute. It may however be necessary to cancel such activities if parents choose not to contribute.
